

# In brief: FoxMandal on ONGC \$515m power plant

In Brief

By Kian Ganz • Monday, 15 February 2010 15:41 • Projects

FoxMandal Little has acted as lender's counsel on the Rs 2224 crores (\$515mn) ONGC Tripura Power Company project finance documentation acting for Power Finance Corporation.

The firm was instructed in September 2009, with Delhi senior partner B N Banerjee, and senior associate Rajesh Sehgal and associate Milli Chatterjee leading the team.

According to a press release from the firm, no other law firms were involved in the transaction.

Sehgal said in the release: "It was challenging, since ONGC being a Navratna company is on the Board of the OTPC. For us it was the first time we had done a deal with ONGC and the captive natural gas based power stations interconnected with the power project."

Oil and Natural Gas Corp (ONGC) received Rs 2,224 crore in debt funding<sup>Q2</sup> from Power Finance Corp (PFC) for its proposed 700 MW power plant at Tripura.
